GHP-400F
Foldable Lightweight Headphones

Genius presents its newest compact headphones, GHP-400F; which is a foldable and super lightweight design ideal for easy portability. The headphones come with 30mm driver units providing good sound quality when you listen to any type of music. GHP-400F is adjustable to fit any head comfortably and snugly. The adjustable headband is foldable and the soft ear cups swivel 90 degrees for an extremely comfy feel for long time listening. You can choose from three modernistic designs: black (dragon), white (flower) and pink (zebra) to give the headphone a trendy look. Contact with your sales representative for more information.
